

2015 Infrastructure Project List

Attached hereto is a DRAFT listing of potential projects which may be funded from bond proceeds to be issued pursuant to the March 2015 bond referendum election. This list is preliminary and has been compiled from a master listing of all needed infrastructure improvements. This preliminary listing is being presented in DRAFT form for discussion purposes only and not as an indication of intention that such list will be the final list within the meaning of O.C.G.A. 36-81-3(d). The final projects will be considered and approved by the City Council.

Citywide Projects

Attached hereto is a DRAFT listing of potential projects which may be funded from bond proceeds to be issued pursuant to the March 2015 bond referendum election. This list is preliminary and has been compiled from a master listing of all needed infrastructure improvements. This preliminary listing is being presented in DRAFT form for discussion purposes only and not as an indication of intention that such list will be the final list within the meaning of O.C.G.A. 36-81-3(d). The final projects will be considered and approved by the City Council.

2015 Proposed Infrastructure Bond Projects - Citywide Projects

Draft

Project Name	Project Description	Impact	Estimate
<i>Transportation Citywide</i>			
Bridges - Bridge General			
Citywide Bridge Improvements	Bridge and structural improvements including construction of new structures and/or structural component modifications	Citywide Projects	\$7,000,000
Bridges - Bridge Maintenance			
Bankhead Avenue	Removal of abandoned bridge structure over Southern Railroad between Marietta Street & Northside Drive.	Citywide Projects	\$290,000
Bridges - Bridge Replacement			
Childress Drive	Replacement of bridge over South Utoy Creek between Key Drive & Cascade Road.	Citywide Projects	\$2,000,000
Courtland Street	Replacement of 106+ year old bridge over Decatur Street & CSX Railroad between Martin L. King, Jr. Drive & Edgewood Avenue. The City of Atlanta is responsible for right of way acquisition and utility relocation. Construction is being funded through GDOT	Citywide Projects	\$2,000,000
Martin L. King, Jr. Drive	Replacement of 105+ year old bridge over surface parking between Northside Drive & Forsyth Street.	Citywide Projects	\$12,822,400
Nelson Street - pedestrian	Retro-fit of 95+ year old bridge over Southern Railroad between Elliot Street & Spring Street for pedestrian use only.	Citywide Projects	\$1,656,849
Powers Ferry Road	Replacement of 105 year old bridge over Nancy Creek between Pineland Road & Hillside Drive.	Citywide Projects	\$2,040,000
Complete Street			
Cascade Road/Avenue	The project scope may include milling and repaving, sidewalk & bus stop improvements: bicycle lanes and median/pedestrian refuge islands along Cascade Ave/Road between Delowe and Road Abernathy Boulevard.	Citywide Projects	\$3,040,000
DeKalb Avenue	Complete Street improvements inclusive of milling and repaving, sidewalk and ADA ramp repair and installation, reversible lane removal and addition of bicycle facilities along DeKalb Av from MARTA Inman Park-Reynoldstown Station (Hurt St) to city limit.	Citywide Projects	\$2,511,300
East Paces Ferry Road	Complete Street improvements inclusive of milling, repaving, and installation of pedestrian & bicycle improvements from the Gordon bynum Bridge to Roxboro Road.	Citywide Projects	\$1,000,000
Fairburn Road	Complete Street improvements inclusive of milling, repaving, and installation of bicycle lanes, sidewalks and pedestrian improvements from ML King, Jr Drive to Cascade Road.	Citywide Projects	\$1,747,300
Forsyth Street	Complete Street improvements inclusive of milling, repaving, and installation of bicycle lanes, sidewalks and pedestrian improvements from Peachtree Street to Memorial Drive.	Citywide Projects	\$811,100
General (unassigned)	Complete Street improvements inclusive of milling, repaving, and installation of pedestrian & bicycle improvements.	Citywide Projects	\$5,000,000
